

Pupilla ailesi olarak biz sizlerden ilham alıyoruz

Hikayemiz 1992 yılında, Denizli'de başladı. Dokumanın başkenti Buldan'da, küçük bir atölyede butik bir üretim anlayışına sahip üretim yaptığımız o yıllardan, 10000 m² kapalı alanda üretim yaptığımız bugüne aynı ruhu taşıyarak devam ettik.

Özgün üretim anlayışı ile havlu, bornoz, peştamal, nevresim takımı, pike ve yatak örtüsü grupları üretiyoruz. Daima ev ve yaşama dair konforu sağlayabilecek ürünleri sizlere sıradışı tasarımlarımız ile birleştirerek sunmak tek misyonumuz.

Dinamik, yenilikçi ancak her şeyden önce sizleri tanımaya çalışan bir ekibe sahibiz. Bu yüzden Pupilla ailesi olarak biz sizlerden ilham alıyoruz. Sizin ihtiyaçlarınıza ve beğenilerinize hitap eden ürünleri üretmek bizi biz yapan değerlerimizin başında geliyor.

Modern ve teknolojik gelişmeler ışığında sürekli güncellenen üretim ağımla dünya üzerindeki tasarım trendlerini takip ediyoruz. Yurt içi ve yurt dışında da farklı bölgelerde günden güne büyüyen bir pazar ağına sahibiz. Amacımız ise başladığımız günden beri oluşturmaya çalıştığımız çağdaş ve kaliteli çizgimizi aynı tutku ile devam ettirebilmektir.

Biz yıllardır atalarımızdan öğrendiğimiz ve sevdiğimiz işi yapıyoruz. Ve sizlerin memnuniyeti ile birlikte büyüyen Pupilla markası sizlere ulaştığı noktada ise bizim başardığımız an olacaktır.

As the Pupilla family we are inspired by you

Our story began in 1992 in Denizli. Buldan, the capital of the document, in a small workshop with a boutique production understanding of the production of those years, 10000 m² closed area of the same spirit we continued to carry the present day.

We produce towel, bathrobe, peştamal, duvet cover, pique and bed cover groups with the original production concept. Our only mission is to offer you the products that can provide comfort to your home and life by combining them with our unusual designs.

Dynamic, innovative but above all, we have a team trying to get to know you. That's why we, as the Pupilla family, are inspired by you. Producing products that appeal to your needs and taste is one of the values that make us we.

In the light of modern and technological developments, we constantly follow the design trends in the world with our production network. We have a growing market network in different regions both in Turkey and abroad. Our aim is to continue our modern and high quality line that we have tried to create since the day we started with the same passion.

We have been doing what we learn and love from our ancestors for years. And the Pupilla brand, which grows with your satisfaction, will be the moment we have achieved.
